## Can miracles stand up to the test of science?

- ✦ Exclusive film footage of a woman who receives stigmatic wounds on her hands, feet, and head. Are these the wounds of Christ? *What does science have to say?*
- ✦ A consecrated communion host becomes living flesh and blood. Is it heart tissue? *What does science have to say?*
- ✦ A scientist (former atheist), an attorney, and a famous TV Journalist witness statue of Jesus weeping real tears and shedding real blood. Are these claims true? *What does science have to say?*
